

FAASTeam presents:

FAASTeam Flight Instructor Open Forum: Emergency Procedures

FAASTeam Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums. Tonight's forum will include a presentation and facilitated discussion by Doug Betts, pilot and Lead FAAST Team Safety Representative. In addition to sharing from a very informative presentation, Doug will facilitate any discussions and host a question and answer session as well. This seminar is primarily directed at CFIs but ALL pilots are welcome and are especially encouraged to attend.

Directions: The terminal building is at the entrance to Fresno Chandler Airport just off Kearney Blvd. Ample parking is available in the front and sides of the building and aircraft may be parked directly ramp-side of the terminal building as well. Parking for both cars and aircraft is always free.
